Without volunteers we could not fulfill our mission or achieve our goals. Volunteers are the cornerstone of what makes credit unions unique. We truly live by the credit union philosophy of, *People Helping People*.

We exist to serve our members and to do so we need the help of our volunteer Board of Directors, Supervisory Committee and Credit Committee. We thank our family of volunteers for their dedication, time and talent. If you are interested in becoming a member of our volunteer team, please contact the credit union.

Welcome our new Member Service Representative

Stop in and meet our new part-time
“Deck Hand” Angel Lehman.

Angel joined us in early March. Born in Aberdeen, Angel keeps busy with her family and with her many fun hobbies and home projects.

We welcome her into our staff family at the credit union.

UNLEASH

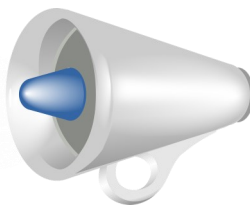

National Credit Union Youth Month 2023

April is National Credit Union Youth Month. The time of year when credit unions teach and encourage kids to develop strong financial habits. Youth Month presents an opportunity to celebrate the credit union spirit of people helping people. It plants the seeds of financial well-being at an early age.

Is your child or grandchild a member? We offer youth savings accounts for those under 15 years of age with minimal deposit requirements.

We've been serving our members along the shore since 1960. Did you know that we now offer our services to your friends and coworkers who reside in Grays Harbor County? We look forward to continuing our relationship with you and are excited about welcoming your friends and neighbors into our credit union family. Go ahead and spread the word!
