# Our new sign is up!

## Thank you, crew!

David Anderson carefully mounts our logo in its position.

David Anderson, David Cox and Eric Kinnaman make sure it's level before the final install.

Thank you David Anderson for facilitating the production and installation of our new steel sign. Fresh and clean, looks so good!

Our trusty old wooden one sure holds dear memories! Thank you to Director Emeritus Bill Jurasin, for updating the lettering in 2007 after our name changed. He sure gave our girl a long and happy life!

David Cox works to reinforce the wooden frame.
