## Let's go sleuthing

Somewhere hidden in this newsletter is an account number. If that number is yours and you notify the credit union during this quarter ....you win! What you win is up to the luck of the draw. Prizes vary....fun, huh? Carefully read and look in the crevices for your number and we'll wait to hear from you!

# When Life Gives You Lemons...

Apply for a home improvement loan and get some projects done! We have several options for secured and unsecured lending when it comes to those pesky house projects that we all have! Ask us what one might fit your needs the best and we'll see what we can do!
