

# Serving Grays Harbor County

## The BEACON

Autumn 2025

Whether it be the holiday season or during the Summer sun, expenses happen, which is why we offer our Annual Purpose Loan. Use it for what you need when you need it. Home projects, vacation, school expense or holiday spending, the annual purpose loan may be just what you're looking for. By paying off the amount in 12 months, you can budget ahead of time. Monthly deduction or payroll distribution may make your payments effortless and easy! Ask us how to apply.

Loans Granted on approved credit. Fees and restrictions apply.

## Watch your mail

For those of you who save with our Christmas Club program, be sure and watch your mail. Savings checks are sent out on November 15th. Just in time for that holiday spending!

If you're interested in starting a Club savings account, it's easy! Ask us for details.

## Skip! ➡

Don't forget about our Skip-A-Payment! You may be able to keep that money in your pocket just when you need it most. If your accounts are current and in good standing you may qualify. One time every 12 months and a fee of \$20.00 per loan could help you find your wallet fatter than before! Ask us today how you may skip your payment.

You may have noticed some changes in the office as Ruth, Lori and Preslie journey toward new beginnings. Ruth is on her way to retirement and has reduced her hours. Lori is learning and preparing to take on her new roll. Preslie is finding her way and becoming a valuable member of the office team.

While change is in the air, what will remain the same is our dedication to excellent personal service. We are here for you. No matter what the journey!

Somewhere in this newsletter is a hidden account number. If it's yours and you tell us where it is before October 31, 2025....you win a prize! Fun right? Get to sleuthing!

All you need is love.  
But a little chocolate now  
and then doesn't hurt.
