THIS IS PIGGY, HE'S ON SPRING VACATION!

These are some of the steps piggy took to ensure he had a nice relaxing vacation:

STEP 1

Piggy let Longshore FCU representatives know he would be going on vacation out of the state or country. This can prevent piggy's card from potentially being blocked because of suspected fraud.

STEP 2

Piggy then talked to Longshore FCU employees to get monthly deductions from his direct deposit to go toward a secondary savings account. This will help organize his money and save up for his trip.

STEP 3

Lastly, because piggy would like to use his debit card while on vacation. He downloaded the mobile app so he can access Home Banking and transfer money. Piggy can also check his transactions to ensure everything looks accurate!

Have fun Piggy, send pictures!
